PROFESSIONAL SUMMARY

Aspiring Software Engineer with a strong foundation in Full Stack Development and UI/UX Design. Skilled in building responsive full-stack web applications and solving 350+ DSA problems on LeetCode. Passionate about Software Development, developing scalable software solutions, and improving through hands-on software projects and real-world problem solving.

SKILLS

- **Languages:** Java, JavaScript, C++, C, Python, SQL, JSON
- **Frontend:** React.js, HTML5, CSS3, Tailwind CSS, Responsive Design
- **Backend:** Node.js, Express.js, REST APIs
- **Databases:** MongoDB, MySQL, PostgreSQL, Mongoose
- **Tools:** Git, GitHub, Version Control, VS Code, Postman, PowerShell
- **Core Concepts:** Data Structures & Algorithms, OOP, DBMS, OS, Spring Boot (Basics), Software Engineering, Problem Solving
- **Design:** UI/UX Design, Figma (Basic)

PROJECTS

Autoplanner (Task Management Web App):

Tech Stack: React.js, Node.js, MongoDB

- Developed a task planning application to organize daily schedules efficiently
- Implemented CRUD operations, API integration, and user-friendly UI
- Improved productivity by enabling structured planning and reminders

MERN Stack Web Application:

Tech Stack: MERN Stack

- Built a responsive web application with authentication, authorization, and dynamic database operations and data handling
- Designed REST APIs and integrated frontend with backend services
- Ensured smooth user experience with optimized UI components

INTERNSHIP EXPERIENCE

SEO & Digital Marketing Intern (Paid, Offline) – Goodness of Nature June 2026 – (Present)

Assisted in SEO optimization and on-page content improvements | Supported social media and digital marketing campaigns to improve online visibility | Analyzed website traffic and engagement metrics to support marketing decisions.

TECHNICAL TRAINING & DEVELOPMENT

- Solved 350+ DSA problems on LeetCode, strengthening problem-solving skills
- Built multiple full-stack projects applying real-world development practices
- Actively learning system design, backend scalability, and modern frameworks

EDUCATION

Bachelor of Computer Applications (BCA)

PSIT College of Higher Education, Kanpur

2024 – 2027 | CGPA – 7.6

ACHIEVEMENTS

- Solved 350+ problems on LeetCode (DSA Practice)
- Received awards of achievement in project exhibitions
- Consistently improved coding efficiency and problem-solving speed
- Achieved certificates from recognized associations

ADDITIONAL INFORMATION

Strong problem-solving | Analytical thinking | Eager Learner | Leader | Communicator.
